“ Baribie,
I am so sorry for what you guys are having to go through right now. My deepest sympathies are with you all as you deal with this awful loss. Cliff was a great guy, his sense of humor and stories made it a joy to work with him. He loved you and the kids so much, and shared that each and every day. My heart is with you guys.

“ William was such a good role model for all of us. The priority in his life was his wife and kids. He cherished those times the most and would not put anything in front of them.

I am honored to have worked with him and will keep all of you in my prayers.

“ *Barbie, Drew, Bayley and Family*

I was shocked and Sadded to hear about Cliff on Sunday. I can't imagine what you all are feeling right now but I do know that you were blessed with some wonderful memories that you as a family made together and they can never go away and those Memories are the ones that in the days ahead will keep you going. I always enjoyed games days as it was fun to see what info we could get out of Cliff while waiting for the choas to start. I am also glad that we got to see you a couple of weeks ago at Lunch and Charles said he had just talked with him at Chick-fil-a. Charles and I will keep you and your family in our thoughts and Prayers.
