“ *Wes and my son Shanon were great friends. Shanon spent many nights with Wes as we loved so far out of town and I always so appreciated that! Wes was there for Shanon until his death 8 years ago! I'm sure they are having a large reunion in heaven💕*

*Sharon. Sharon and Wess reunion was the first thing several of us thought of. It is a very comforting thought. Wess never did get over Shanons loss.*

*After losing a child, we did 6 years ago, you still seek and realize things like this and that make you think, there is a plan. We still wonder why, like you all do to, but you do get comfort and glad you did. I did just hearing your comment. You all take care.*

*One of my first comforting thoughts was that Shane and Wess have already met up in heaven and Howard is leading the pack. Jesus might be referring to them as the 'family pack'...the one you can get in but you can't get out of. Love all of this family so very much!!!*

*God Is Great! God and many avenues of help exist...all you have to do is turn to him and/or the other avenues. God, counseling, family, friends and other existing programs have helped me so much. Going it alone was not the best for me. If it isn't for you, this is encouraging you to find what will help you (i.e. prayer, counseling, programs, family, best friend, etc.).*
