“ Mark, Missy & Chrisy, so sorry to hear of your Dad's passing. It was a pleasure to work with him for so many years and I can truly say I don't remember him ever raising his voice or getting mad, although I am sure there was plenty of opportunity. He could sure "crunch" some numbers. Most of all I admired him for his dedication to his family, how he cared for his beloved Marlene and loved his children and grandchildren. Always good to see him. He will be missed. I know his service will be a great one; sorry we will be out of town but our thoughts and prayers will be with you as you lay your beloved father to rest. RIP Bill, will miss seeing you at our favorite eating places.

“ Sorry to hear about the loss of Bill Parker. He was always someone who would take the time and discuss the business with me when I was starting my career at St. Marks. He was a true icon and many folks at St. Marks owe their livelihood to his great leadership. His caring nature has lived on with his son Mark. Your family is in my prayers.
