“ *Daddy, I love and miss you so much! Daddy you were the most awesome daddy a girl could ever have. You (and mom) were always there for me no matter what even when no one else was. Your unconditional love was more precious than any gift you ever gave to me.*

I am at peace to know that you are finally at peace and pain free. Even more than that you have two good legs now and are up there with Timmy just dancing and doing the things you have been unable to for so long.

Daddy I promise I am going to make sure mom is taken care of so need for you to worry about that. Plus I know you are going to be looking down over us as Timmy has been for 20 years. I love you both and can't wait to see you again one day!

“ *Tish and Patti, there are no words right now that can express how sorry we are about Sonny. Sorry for you because we know that you are going to miss him, but we are rejoicing with him because he is whole now. No more pain and suffering. As I told you, Patti, when you called me I wish that I could just drive over to your house and sit with you and hug on you.*

We love you.
