“ Every time i hear the name Granny a big smile comes across my face. It could be a stranger speaking across the room but my thoughts go directly to my Granny. She was an amazing child of God. She ALWAYS put everyone before herself and never asked for anything. She had such a beautiful soul? There were two things she loved in life, God and her family. Especially us Grandkids? Granny had such a kind heart and she was so very wise. She was the perfect example of a God fearing woman! She had said for many years now that when the good Lord was ready to take her, she was ready to go home. I will never forget your peas and ho-cakes, pecan pie, five dollar bills and chewing gum you stuck in every holiday card but what i will remember most Granny, and I'm sure i speak for many when i say this, is the unconditional love that you gave us. You never judged us, always welcomed us with open arms and with a warm smile on your face? Thank you for that. Please give Granddaddy a big hug and kiss from us? We love you very much and will be looking forward to the day we get to see you again. ???R.I.P. Granny???

“ Big Granny actually had 15 great grandchildren and currently has 11 Great Great Grandchildren with one on the way for a total of 12 Great Grandchildren. She was proud of every single one of us!!! Never will I ever forget her wisdom, kind words, food, hugs, home, warmth, and precious touch. Every single night of her life she said her bedtime prayers out loud from her bed. And every single prayer included the name of every child, grandchild, great grandchild, and great great grandchild of hers without fail she made sure to name each one out loud. I love you big granny. My life will never be the same without you.
