Prior to her employment, she attended and graduated from Crawfordville High School and was the captain of the girls basketball team.

As a young person, she loved to go square dancing and jitterbug, enjoyed family get-togethers in Florida and Mississippi and attending church socials. Throughout her entire life, she loved children and always went out of her way to make sure each child she encountered felt loved and cared for. “ Please accept my condolences for your loss. There is no worse pain than losing a loved one to death, many have found comfort in this Bible verse, Isaiah 25:8 which says, that God will swallow up death forever. How wonderful it will be to embrace our loved ones again. The Bible also says that God will wipe away the tears from our eyes and death will be no more, neither mourning nor outcry nor pain be anymore. The former things have passed away (Rev. 21:3, 4). We need not fear death again, for God has promise that it would be abolish forever, and God can not lie, as said in Titus 1:2. May you find comfort in these words and the peace you so much need in theses moments of pain.
