“ I knew Zach throughout Elementary School and Middle School. We had many classes together in middle school and made some great memories. He always knew how to make people laugh with his jokes during lunch and he always knew how to talk to people if he saw that they looked upset. He was a great friend and I'm saddened to hear of his passing. He was a great guy and even better friend to me and so many other people. He will be deeply missed by all.
Thoughts and Prayers to his family and friends, Cooper

I knew zach since middle school, he was the quiet kid but nonetheless was always kind and fun to be around. I got to know zach better during our time in ROTC as he was apart of my drill team and always brought his best and was always motivated even when I wasn't, and for that I thank zach. Whether it be on a school trip or during class there was never a bad time with him. He will be truly missed.

“ I knew Zach throughout elementary and middle school, and briefly again in high school via JROTC. He was always polite and respectful to everyone around him and was a truly outstanding cadet. He'll be missed by all.

“ We are heartbroken for you. Zach was so sweet and kind. We'll never forget how he took the time to walk Rowan to the bus stop during middle school. It may seem like a small thing, but it wasn't to us. If there is anything we can do, please let us know.
